INSPIRING WORDS FROM SHRI MARUTHI GURUJI

Dear parents and students

It is a great privilege for me to introduce our institution to you. For **SMRS & PUC** it has been a trail blazing journey from 2010 till date. The academic excellence of our students and the exuberance of our lively teachers and staff has been unmatched year upon year. We are a top rung college known for our academic excellence which has been achieved within a short period of time since our inception.

In 2023, we added one more feather to our illustrious crown as we became the only school in Uttara Kannada District. to get affiliation from CBSE to conduct classes 11th and 12th under NEP-2020. This will greatly benefit the students aspiring to pursue senior secondary level education in CBSE model and I urge the parents and students to take full advantage of it.

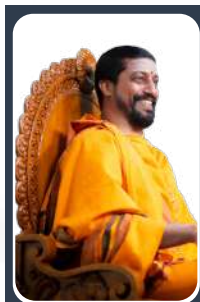

We focus on ensuring that all of our students are prepared for excellence in college and in life as a whole. Our confident faculty team is among the best in the district and are constantly engaged in personal development and performance of each student. Our value added modules ensure that students don't just pass out with academic performance but are also empowered with industry knowledge and experience.
